

Dear Member:

Our Savior Lutheran Church has been offering automatic ACH Giving for Regular Offering and / or Building Fund Donations for over 5 years now. ACH giving is available for any monetary amount. This is an easy way to submit and track your contributions. Attached is the form to fill out if you are interested. All debits will come out on the 15th of every month. The duration is continuous until Our Savior Lutheran Church has received verbal or written notification from you for termination.

This process is for convenience to our members. Everyone who signs up will still receive full credit for tax purposes at the end of the year. You will also continue to receive your annual box of envelopes. These envelopes are not necessary to use unless you want to give additional funds.

Please feel free to call me anytime with questions. My cell number is 309-830-1274. Drop any completed forms with a voided check into the safe (the black slot across from the Secretary's desk). Envelopes are provided on the Secretary's desk. All of your information is private and will not be shared.

Sincerely,

Gary Riggs
Business Manager
